Case No. 1:17-MD-2804
Production of Documents Regarding Jurisdictional Discovery

Dear Mark:

On behalf of Teva Pharmaceutical Industries, Ltd., we are producing to you via secure file transfer documents responsive to Special Master Cohen's April 3, 2019 Ruling Regarding Jurisdictional Discovery on Defendants Allergan, Teva and Mallinckrodt. These documents are Bates labeled TEVA_MDL_JD_006148 – TEVA_MDL_JD_006242. We are initially producing these documents in PDF format and will make a full production of the same documents in native format to Ricoh. These materials are being produced after a reasonable investigation by Teva Pharmaceutical Industries Ltd. for documents responsive to Special Master Cohen's order. That investigation is continuing and we will produce any additional documents located by Teva Pharmaceutical Industries Ltd. if and when they are identified.

Teva Pharmaceutical Industries, Ltd. is producing the enclosed documents and information with the understanding that you will afford the protections provided by the Case Management Order Two: Protective Order (Docket No. 441), entered by the Court on May 15, 2018.

To that end, Teva Pharmaceutical Industries, Ltd. hereby designates materials in this production – which contain proprietary, trade secret, and confidential business and commercial information – as "CONFIDENTIAL."

Please do not hesitate to contact me at the number above if you have any questions.
